24-hour drop-ins available during extreme cold weather alerts

When Toronto Public Health calls an Extreme Cold Weather Alert, additional services become available. Among these are 24-hour drop-in services at the locations below. Both locations are trans-positive and accept men and women 16+.

- Open by 3 pm the day an alert is called
- Closed by noon the day alert is ended
- Warm food and snacks
- Referrals
- Sleeping mats and blankets provided
- Pets welcome

Important note: From January 1 to February 29, 2016, these drop-ins will operate 24/7 at all times, including non-alert days.
